

# Stop the SA Tax Grab

## Keep your practice open

The SA government is squeezing more tax from general practices.

This tax grab means out-of-pocket fees will increase, and practices may have to close.

GP care is vital for your health, and your family. Don't let your practice close.

# Stop the SA Tax Grab

## Your GP will need to raise fees

The SA government is squeezing more tax from general practices.

We will need to pass these costs on to patients, or we will have to close.

**This means:**

- you will pay more
- it will be harder for you and your family to get the healthcare you need.
